

## Before We All

## One Without

Who made that first silent move  
that would make the standings  
quiver for so long  
who was the one that  
brought us hope and made us  
loosen the ropes round our necks

Now it's all just a question of time  
before we all

Bring out what is inside  
our muzzled hearts  
we can make it if we try  
so hold on time is right

Look at yourselves and believe  
in what you have to do  
to break free  
show no sign of mercy  
for the ones that pushed us down  
and made us crawl for our lives

Now it's all just a question of time  
before we all

Bring out what is inside  
our muzzled hearts  
we can make it if we try  
so hold on time is right

See the rolling heads  
that used to spit in your face  
they won't do you nothing now  
when you're safe
