

## No Good

Oneohtrix Point Never

No good  
Cause I let you down  
No good  
I'm gonna leave town

I know  
I need you so bad  
So  
Im f\*ckin' so sad

Party  
Zero  
Tell me  
Why

A king? Nothing  
You can die, f\*ck it  
No god, no shame  
No god, no good
