

Artificial Paradise

OneRepublic

Dream, is it only just a dream?
That we're living
That we're living

Dream, there's a ghost in the machine
Is it fiction
That we're living?

Oh, ooh
Is it artificial paradise?
Oh, ooh
If it's with you, I don't even mind

Ah, ah, ah
Ooh-ooh, ooh-ooh-ooh

Oh-ooh, is it a dream, is it only just a dream?
That we're living
That we're living
