

Ay, yeah, I look for drama
Yeah, I'm chasing karma
Seen some things that other people can't see
Yeah, I'm motivated
Yeah, I'm underrated
Watch the imitators lookin' like me

This life's like a fantasy
Everyone wants to be on
Reach out for the things I need
But is it all just a mirage?
Is it just a mirage?

Is it just a mirage?
Just a mirage

Yeah, I look for drama
Yeah, I'm chasing karma
Seen some things that other people can't see
Yeah, I'm on a mission
I don't need permission
Living like I'll hit a hundred and three

This life's like a fantasy
Everyone wants to be on
Reach out for the things I need
But is it all just a mirage?
Is it just a mirage?

Is it just a mirage?
Is it just a mirage?

Kul na nghayir al jow
Kul na gaowi al thow
Gult sa7bi ta7 to the floor
Jawu bas ra7 Dodo

Kul na nghayir al jow
Kul na gaowi al thow
Gult sa7bi ta7 to the floor
Jawu bas ra7 Dodo

This life's like a fantasy
Everyone wants to be on
Reach out for the things I need
But is it all just a mirage?

Is it just a mirage?
