

Road

OneRepublic

How many feet walk the road unused?
How many feet walk the road unused?
Many streetlights light up the world
I thought I'd make a path of my own
We'd walk together so we're never alone

How many feet walk the road unused?
How many feet walk the road unused?
Many streetlights light up the world
I thought I'd make a path of my own
We'd walk together so we're never alone

How many feet walk the road unused?
How many feet walk the road unused?
Many streetlights light up the world
I thought I'd make a path of my own
We'd walk together so we're never alone
