

Ships + Tides

OneRepublic

I just lost the feeling that I had today
Do all these good times come and go away?
Tell me something that I can say
Sometimes I just want to walk away

Then I begin to understand
Ships can sink or rise

But I'm standing here tonight
And I'm knocking out on your door
I'll be anything you like
You can tell me what I'm here for
Do we go on, and on, and on, and on?
Do we go on, and on, and on, and on?

I just asked some questions that I never had
Does who we are fade out like a photograph?
'Cause if I could I'd do it all again
The good times, bad times, sink or swim

And yes, I finally realized
Ships can sink or rise

But I'm standing here tonight
And I'm knocking out on your door
I'll be anything you like
You can tell me what I'm here for
Do we go on, and on, and on, and on?
Do we go on, and on, and on, and on?

Oh-oh
Oh-oh

But I'm standing here tonight
And I'm knocking out on your door
I'll be anything you like
You can tell me what I'm here for
Do we go on, and on, and on, and on?
Do we go on, and on, and on, and on? (Oh-oh)

I just lost the feeling that I had today
Do all these good times come and go away?
