## Shout

OneRepublic

In violent times You shouldn't have to sell your soul In black and white They really, really ought to know Those one track minds That took you for a working boy Kiss them goodbye You shouldn't have to jump for joy You shouldn't have to shout

Shout, shout, let it all out These are the things I can do without Come on, I'm talking to you, come on

Shout, shout, let it all out These are the things I can do without Come on, I'm talking to you, come on
