

Someday

OneRepublic

Some days, I'm treading the water
And feel like it's getting deep
Some nights, I drown in the weight
Of the things that I think I need
Sometimes, I feel incomplete, yeah
But you always say to me, say to me

Oh, you say, "Someday when we're older
We'll be shining like we're gold
Yeah, won't we? (Won't we?) Won't we? (Won't we?)
And someday, when we're older
I'll be yours and you'll be mine
Babe happy (happy), happy"
Oh, you say, "Someday when we're older
We won't worry 'bout the things
That we don't need, we don't need
Yeah, one day down the line
Before we both run out of time, you're gonna see
That someday, we'll be all that we need"
Someday, we'll be all that we need

I've been the best, and the worst
Been a ghost in a crowded room
(Oh, yeah yeah yeah yeah yeah)
I took a chance, took a time
Took a dive, and it led to you
(Oh, yeah yeah yeah yeah yeah)
So many times that I wish
We could be anywhere but here
So many times that I wish
I could see what you see so clear, so clear

Oh, you say, "Someday, when we're older
We'll be shining like we're gold
Yeah, won't we? (Won't we?) Won't we? (Won't we?) Yeah
And someday, when we're older
I'll be yours and you'll be mine
Babe happy (happy), happy"
Oh, you say, "Someday, when we're older
We won't worry 'bout the things
That we don't need (we don't need), we don't need
Yeah, one day, down the line
Before we both run out of time, you're gonna see
That someday, we'll be all that we need"
Someday, we'll be all that we need

Oh, you say, "Someday, when we're older
We'll be shining like we're gold
Yeah, won't we? Won't we?
Someday, down the line
Before we both run out of time, you're gonna see
That someday, we'll be all that we need"
