This town is colder now, I think it's sick of us

**Emaj9**

It's time to make our move, I'm shakin off the rust

**E**

I've got my heart set on anywhere but here

**Emaj9**

I'm staring down myself, counting up the years

**C#mi**

Steady hands, just take the wheel...

**A**

And every glance is killing me

**C#mi**

**A**

Time to make one last appeal... for the life I lead

**E**

Stop and stare

**Emaj9**

I think I'm moving but I go nowhere

**C#mi**

Yeah I know that everyone gets scared

**A**

But I've become what I can't be, oh

**E**

Stop and stare

**Emaj9**

You start to wonder why you're 'here' not there

**C#mi**

And you'd give anything to get what's fair

**A**

But fair ain't what you really need

**E**

Oh, can u see what I see

**E**

They're tryin to come back, all my senses push

**Emaj9**

Un-tie the weight bags, I never thought I could...

**C#mi**

Steady feet, don't fail me now

**A**

Gonna run till you can't walk

**C#mi**

But something pulls my focus out

**A**

And I'm standing down...

**E**

Stop and stare

**Emaj9**

I think I'm moving but I go nowhere

**C#mi**

Yeah I know that everyone gets scared

**A**

But I've become what I can't be, oh

**E**

Stop and stare
