

## The Less I Know

OneRepublic

All my life I've been waiting for something  
Realized I've been waiting so long I think it's you  
But you confuse me  
You tell me up I'll be walking down the stairs  
You tell me down I'll be climbing up  
I think it's crazy and it tortures me  
Oh call me late, call me liar, call me anything, oh just call me

Babe won't you tell me where you got engrossed?  
I said babe do you want to take it fast or slow?  
I swear the more I get to know you the less I know

All the weight that we've thrown on each other  
All the way just to figure out I don't mind you  
And you don't mind me  
Yeah  
All the lies, all the dancing around and  
And all the times I came home so late  
You know that oh cause you know me  
Call me late, call me crazy, call me anything, but just call me

Babe won't you tell me where you got engrossed?  
I said babe do you want to take it fast or slow?  
I swear the more I get to know you the less I know

Babe won't you tell me where you got engrossed?  
I said babe do you want to take it fast or slow?  
I swear the more I get to know you the less I...  
The less I know  
The less I know  
The less I know  
The less I know  
I swear the more I get to know you the less I know
