

Levitation

OneSideZero

Are you sleeping yet?
Just felt I should call you
I keep wandering
Another lonely street at night
And I sing this song
For you while I'm gone
Cause it takes so long

Are you dreaming yet?
[??] make it without you
As I lie in bed
Thought you whispered to me last night
And I sing this song
For you while I'm gone
Cause it takes so long

Someday I'll be home again
Someday soon

Are you lonely yet?
What do you think about?
Has it happened yet?
Please don't shut me out
I'll be back with you real soon
This is what I'm meant to do
This is how it's meant to be
As we try you'll set me free

And I sing this song
For you while I'm gone
Cause it takes so long

And I sing this song
For you while I'm gone
Cause it takes so long
To come back home
