

# Same Scent

ONEUS

My body wants you bare, ayy, ayy  
Ayy, ayy, ayy  
Remember your sce-e-ent  
Ayy, ayy, ayy

The wind, it keeps on blowing  
It reminds me of your perfume in the air  
And every time you breathe out  
Oh, it makes me feel like I might go insane  
Paid for it, I'm gonna be okay  
Even though it's tearing me up inside  
'Cause if all my thoughts of you fade all away  
With every breath, I'll wanna die

My body wants you bare, ayy, ayy  
Ayy, ayy, ayy  
Remember your sce-e-ent  
Ayy, ayy, ayy  
My body wants you bare, ayy, ayy, ayy, ayy  
Ayy, ayy, ayy  
Remember your sce-e-e-e-ent  
A flavor just like you

And I can't get it back  
No more, no more  
And I can't get it back  
No more, no more

Remember when I held your body close  
Our lips, they almost touching like a blooming flower  
The scent of you, it swept away my body  
A scar that I cannot erase  
Last night, you made me go lose my, my mind  
Let me go 'cause the pain crescendos  
If we ever meet up in another life  
Forever, I know we'll be dancing in the moon night

My body wants you bare, ayy, ayy  
Ayy, ayy, ayy  
Remember your sce-e-ent  
Ayy, ayy, ayy  
My body wants you bare, ayy, ayy, ayy, ayy  
Ayy, ayy, ayy  
Remember your sce-e-e-e-ent  
A flavor just like you

And I can't get it back  
No more, no more  
And I can't get it back  
No more, no more

Without you by my side, I'm like a flower that's dead  
I'm getting thirsty with no water  
Something more, I want it, I feel it right now  
And I know you're coming over to me, watch  
You, I want forever, ever want you  
I just need you, want you, your aroma

A flavor just like you

And I can't get it back (Get it back)  
No more, no more (No more, no more, no more, yeah)  
And I can't get it back  
No more, no more (No more, no more)

I can't get you off my mind, my, my, my, my mind  
Off my mind, my, my, my mind  
Ayy, ayy, ayy, ayy, ayy  
A flavor just like you
