Breathe in/out, split second I put my heart into you, yes I mean it  
You & I, the time I spend with you expands my universe, deeper universe

It's all about the frame people made up  
Never gonna give in Imma break it  
Courage I set to be hated my man  
Damagin' me but it makin' me strong  
Taking off for today baby god bless me

I'm beautiful sing it yeah yeah yeah  
All my cry-out of my life is now yesul yesul yesul  
I'm wonderful feel it la la la la  
Show it to the world we blossomin' some more  
Sing it with me

Prrrum pum pum pum pum pum pum

Prrrum pum pum pum pum pum pum  
Pum pum pum pum pum pum

Set me free  
Throw it all Throw it all away  
Let me be  
The way I am, just the way I am  
Wide awake, who are you to control me  
No, I'm my own master  
My own master

All I wanna be is not number one I mean only one  
Race every day I be stronger I mean stranger  
Yeah I'm shinin' more than ever uh I be kickin' ass  
That's me, this me, listen moi, to myself, we go bottoms up

I'm beautiful sing it yeah yeah yeah  
All my cry-out of my life is now yesul yesul yesul  
I'm wonderful feel it la la la la  
Show it to the world we blossomin' some more  
Beautiful

So you know we have a galaxy in hearts of all  
Tears are droppin' after overcomin' darkness  
We become brilliant stars

Beautiful sing it yeah yeah yeah

The whole and whole nine we go together it's yesul yesul yesul  
I'm wonderful feel it la la la la  
Show it to the world go louder and we shout  
Sing it with me
