No matter how hard I tried to study love through words
I couldn't find an answer about you
My friends tease me
They say love is all about timing

Places where I have to write my name
I write your name instead
Then I think I wrote my name so I get surprised
Fool fool, hey

It's hard, it's hard, what are you, what are you?
Monday through Friday, I think about you
But it's too much, it's hard
It's so hard, it's so hard, it's so hard

When the morning sun greets me
Feels like I saw you in last night's dream
My friends tease me
They say real men only go forward

Places where I have to write my name
I write your name instead
Then I think I wrote my name so I get surprised
Fool fool, hey

It's hard, it's hard, what are you, what are you?
Monday through Friday, I think about you
But it's too much, it's hard
It's so hard, it's so hard, it's so hard

Should I start talking to you?
I'm thinking
What should I say?
I'm staying up all night
I wanna walk you home
Oops, I just said it

If you say so, I can give it all up
All the weekend TV shows I like
Don't think that it's not a big deal
Because I'm thinking of you more than myself, baby
I don't have room inside of me
For trivial emotions, it's like a studio apartment
I'll take out each one before you
Tell me what each one means

It's hard, it's hard
