50/50
Right in between, I'm being indecisive
Sunday Monday, right in between
Each day feels so dry, nothing special

I try knocking on the hundreds of doors before me
But it's the same face each time
As time goes by, I'm feeling down down down down

Right when I stopped growing
My dreams stopped growing too

Where I am, I'm nervous
Feels like I'm trapped at the line
Feel good or bad
I want to push it over to one side, whichever side it is

My tense shoulders
Carry the unknown weight of the fears of the world
I try to cut it out
But it grows every time I breathe, what do I do?
I'm in between today and tomorrow
I'm half-frozen, I'm asking myself
Where am I? Am I going the right way?

It's alright, you did well
Even at your obvious lies
I know
But in just one moment
I couldn't take it, my tears drop drop drop

Right when my sighs increased
Reality became clearer

Where I am, I'm nervous
Feels like I'm trapped at the line
Feel good or bad
I want to push it over to one side, whichever side it is

Fly fly, I wanna fly away away, far away
I wanna meet you without fear

Will there be
A different world
Across that wall?
You're not in my arms anymore
Not in my dreams
There's nothing, no

50/50, I'm right in between, please save me
Here I am feel good or bad
I want to push it over to one side, whichever side it is
