Hey goodie
Hey goodie
Why am I always here?

That's him
The guy from the rumor yesterday
I heard it's true
All those things

You all say those things and laugh hundreds of times a day
It's such a different world from me

Hey goodie, what would it feel like to live like you?
Hey goodie, will everything seem different?
Why am I always here? complement
Why're you having such a good time?

Everyone else
But me
Is having fun
Why're you having such a good time?
Everyone else
But me
Everyone else is so tall
Why are you guys so handsome?

The story
Of a typical life, that's me
If this common story
Won't work, just give up quickly

Do you know how it feels to try to collect zeros
I'm living in a different world

Hey goodie, what would it feel like to live like you?
Hey goodie, will everything seem different?
Why am I always here? complement
Don't you have any hardships?

I'm so far from there
Whatever I do, people ignore me
So weird, I don't know what the problem is
Whatever I do, I know I can't ever be like them
What, we're doing the same things, making the same faces
But why are we different?

I know, I may seem crooked
But I don't know why I'm like this either

Hey goodie, if we switch places for a moment
Hey goodie, will you be like me too?

Why are you always the good guy? complement
Why're you having such a good time?

Everyone else
But me
Is having fun
Why're you having such a good time?
Everyone else
But me
Everyone else is so tall
Why are you guys so handsome?

Tell me
About your hardships too
