I feel alive la la alive  
I like it Sukhumvit swimming

I wanna fly to the south, look for a city that swallows the sun  
I wanna meet you in the place that grows hotter once the moon rises

My days and my heart were so dry  
They're about to crack, help me, help me  
I wanna get wet and messy  
So shout out louder, shout shout

Jump into the long road, the channel to connect us  
I'm right here  
Swimming swimming swimming

Just arrived arrived arrived  
I like it sukhumvit swimming  
I feel alive la la alive  
I like it sukhumvit swimming

Feels like I'm floating around this afternoon  
When I close my eyes, I softly, softly, softly fall  
Into the special dream that you built

I wanna fly to the south so I can find you, who has stolen the starlight  
I wanna meet you, who shines even more when night comes

This song of the night won't stop  
This is our youth, youth youth

Jump into the long road, the channel to connect us  
This is it, Bangkok
