

Everywhere I Go

Onlap

I finally know why I can't get an answer
I finally know why I feel like a number
They keep a secret into their minds
They never talk even for telling lies

Make me feel (hey) at least like a monster
Make me feel (hey) at least like fire
It seems I can't find a place to go
There's a wall of things I'll never know
(Why would I escape?)

'Cause everywhere I go (ho)
There's nowhere I belong (ho)
Can anyone just tell me where will I find
'Cause everywhere I go (ho)
I'm always on my own (ho)
Can anyone just catch me before I drown
Can anybody make me feel like I'm not a stranger tonight

I finally know why I can't look further
I finally know why they don't speak louder
There is a secret that won't be mine
They'll never talk until the end of time

Make me feel (hey) at least like a monster
Make me feel (hey) at least like fire
It seems I can't find a place to go
There's a wall of things I'll never know
(Why would I escape?)

'Cause everywhere I go (ho)
There's nowhere I belong (ho)
Can anyone just tell me where will I find
'Cause everywhere I go (ho)
I'm always on my own (ho)
Can anyone just catch me before I drown
Can anybody make me feel like I'm not a stranger tonight

(Hey, hey) What should I run away
(Hey, hey) I always felt this way
(Hey, hey) I cannot run away
(Hey, hey) I'm not a stranger tonight

Hey, hey, hey, hey
Hey, hey, hey
(Why would I escape?)

Everywhere I go (ho)
There's nowhere I belong (ho)
Can anyone just tell me where will I find
'Cause everywhere I go (ho)
I'm always on my own (ho)
Can anyone just catch me before I drown
Can anybody make me feel like I'm not a stranger tonight

Hey!
