Miracle

Onlap

We don't care
We don't care
When you call our name

We don't care
We don't care
We are just the same

We ignore the waves and
We ignore the fire

Ho ho ho ho hoo
We need a miracle

Watch over there
It disappears
We lose it all
And shed no tears

Behind the progress
Behind our walls
We had it all
And we want more

It's just a dream that turns into nightmare
The future is ours
We run out of time

It's just a dream that turns into nightmare

We don't care
We don't care
When you call our name

We don't care
We don't care
We are just the same

We ignore the waves and
We ignore the fire

Ho ho ho ho hoo
We need a miracle

We know it's bad
Then we forget
It's not our problem
It's not our fault

We know it's crazy
Now all is said
It's not a story
We have to change

It's just a dream that turns into nightmare
The future is ours
We run out of time

(It's) just a dream that turns into nightmare
The future is now
What's been done so far?

We will leave a silent world

We don't care
We don't care
When you call our name

We don't care
We don't care
We are just the same

We ignore the waves and
We ignore the fire

Ho ho ho ho hoo
We need a miracle

When the sunlight will go away
We'll stand here with nothing to say
When the ground will break away
We'll stand here with nothing to say

We don't care
We don't care
When you call our name

We don't care
We don't care
We are just the same

We ignore the waves and
We ignore the fire

Ho ho ho ho hoo
We need a miracle

We don't care
We don't care
When you call our name

We don't care
We don't care
We are just the same

We ignore the waves and
We ignore the fire

Ho ho ho ho hoo
We need a miracle
