Onlap

Singing like warriors

We've been locked in
We've been waiting
We saw a mess turning into a nightmare
'Been losing everything
Didn't see it coming
Just wanna go back in time and avoid it

I wish we could make it go away
'Cause now I think it's time to

Start it all over again
And make it through the pain
We can
Start it all over again
We're still standing
And now we're singing like
Warriors
Warriors
Woah oh oh oh
Warriors
Warriors

Singing like warriors

We've been bleeding
We've been crying
So many days that were never ending
'Been doing nothing
So frustrating
Just want my life back, no more hiding

I Look at my face in the mirror
I see scars and I feel like a monster
Yeah
I know the old days are gone but we'll stand like warriors

Start it all over again
And make it through the pain
We can
Start it all over again
We're still standing
And now we're singing like
Warriors
Warriors
Woah oh oh oh
Warriors
Warriors

Singing like warriors

Gotta be strong now
You're not alone now
We won't be scared inside
We won't be paralyzed
Gotta be strong now

You're not alone now
You're not alone now
You're not alone now
'Cause now I think it's time to

Start it all over again
And make it through the pain
We can
Start it all over again
We're still standing
And now we're singing like
Warriors
Warriors
Woah oh oh oh
Warriors
Warriors
