No one can give an answer
Because we can't see the end
We fight every single day
So it's not okay
But because I want you so much, it's worth it
Just like I've been doing
I just need to pay the price

Money, I want you
All in all
Money, I want you

Money, I hate you
You're clearly stained and dirty
But why do you shine?

I wanna have you and go higher
Who can fill my empty heart?
I want to ask but my parents are sleeping

If you can't buy happiness with money
How can you buy it?

Can you even buy it?
Don't tell me typical answers
It won't touch me

Is this the right thing to do? Don't you be a liar
If I ask you to gift me with the answer, am I greedy?

Dirty money dirty, you shine
Rather than looking at you, I want to have you

Dirty money dirty, you shine
Rather than having you

I want to have you in extravagance

What is it? You shine like the sunlight
But from the back it's so disgusting
There are shadows where there is light
Honestly, I'm afraid, just leave me alone
I want to turn away
But I think I need you
Wish I could go back, before I knew you
But I think I need you

I wanna have you and go higher
Who can fill my empty heart?
I want to ask but my parents are sleeping

If you can't buy happiness with money
How can you buy it?

Can you even buy it?
Don't tell me typical answers
It won't touch me
