Dead

Yeah, I can run like I'm escaping  
But in the end, I'll be standing right here  
Yeah, love is cruel, the more you avoid it  
The thicker it gets

I'm becoming red  
Drunk in your color  
You sweetly came to me and I became paralyzed

Take my hand, be my goddess  
Make me ayy, I'm throwing my whole body to you

Woo, in your eyes, there was an angel  
The sin of being cut by my two swords  
Miserably, I finally realized

My innocent desire  
My clashing despair  
I've gotten so tainted, please save me

Red, your red, red  
I'm confessing my sins  
Please save me, fill me up with you, babe  
Put me to a deep sleep, yeah yeah

Um nana na - um nana  
An instinctive red  
Um nana na - um nana  
Crazy fallen love

It electrically spreads, when you give me that look  
I keep hoping for you

I can't figure it out, though I know it'll hurt  
I don't want to wake up from this dream

Fill up, for the twelfth time, I'm filling up my cup with trust  
Emptying out all hesitation  
All the realistic warnings  
We're pushing back, back, back  
You're bad blood

Bad, my bad, bad  
I'm confessing my sins  
Please save me, fill me up with you, babe  
Put me to a deep sleep, yeah yeah

(I can't get you off my mind)

Um nana na - um nana  
Clashing bad  
Um nana na - um nana  
You're bad blood

See, it's just like you wanted  
All truth has been erased, I have nothing else I want, you  
Just stay by my side  
Till this momentary dream becomes forever

Mad, we're mad, mad  
I'm confessing my sins  
My eyes are blinded  
With the endless eternity  
I see myself  
Seeping in

Dead
