

# Around Me

ONUKA

Many, many, many  
Many colors  
Many, many, many  
Many moments  
Many, many, many  
Many powers  
Around me

Many, many, many  
Many brothers  
Many, many, many  
Many others  
Many, many, many  
Many wonders

When I feel, I feel  
And that is for real  
When I live, I live  
That is what I believe

My home, my heart, my life, my love  
Are still here around me  
My home, my heart, my life, my love  
Are still here around me

Many, many, many  
Many heroes  
Many, many, many  
Many weirdos  
Many, many, many  
Many windows  
Around me

Many, many, many  
Many lands  
Many, many, many  
Many friends  
Many, many, many  
Many odds and ends

When I feel, I feel  
And that is for real  
When I live, I live  
That is what I believe

My home, my heart, my life, my love  
Are still here around me  
My home, my heart, my life, my love  
Are still here around me

My home, my heart, my life, my love  
Are still here around me  
My home, my heart, my life, my love  
Are still here around me
