

When you try to figure out  
Why do we fall?  
When you try to realise  
How deep is our hole?

Don't forget  
We live while we fly  
Don't ignore  
We live while we fly

Let us fly  
Let us fly

When our love is so reckless  
Don't let roots entrap you  
When our love is a mess  
Choose our new routes better

Don't forget  
We live while we fly  
Don't ignore  
We live while we fly

It's not our last flight (Let us fly)  
It's not our last flight (Let us fly)  
It's not our last flight (Let us fly)  
It's not our last flight

Let us fly  
Let us fly  
Let us fly
