Yo if anybody get it then it's coming from me
Any second and I minute every hour the week
I ain't slipping not a smiggin niguHz outta they league
I always drippin niguH different burners niguH outta they sleeve
They gotta be thieves they talking rats it gotta be cheese
Get poppy to squeeze then make a niguH drop to his knees
Spot me some keys some bitches getting sloppy with D's
Get shot in the P's the fucking cops ain't got me to freeze

Ayo we coming wit that queens shit king shit supreme shit
Tripple beam shit bring shit got magazine clips
My team thick wit the strap the booth get lit up
My new mack out the back we shoot this shit up
We reckless going in club snatch ur necklace
I'm starving my niggas is hungry snatch ur breakfast
Umm we need minerals to eat
Every night wit the criminals in the street
