

Crime Pays

Onyx

I'm a walkin' tank
I'm smart, and ready to hit
It's fine, trust me, I'm not gonna miss
You won't see me fadin'
It's because of my blood
You bitch rappers got your asses full of Oscars
... It's another world, when you're stuck in the cage
When you're hustling, scammling
OGs doing the same shit, stuck in their ways
We're the real hood, we don't need money, cause crime pays, cri
me pays
You see, we're back to the 80s
Should have had one love and the nigga's bull
We need precaution
Take them on a block, you got to have proportion
I'm steamin' on the business, the man who's walkin' on the floo
