Yeah I'm a grimy nigga, but I'm on some fly shit  
When I pull up bitches raise their eyelids  
I sit in the back, she got too much mileage  
Cause I'm a O.G. I had to do the knowledge  
Pull up in big shit, prolly playing big shit  
And I could back it up, so I'm popping pink shit  
You don't believe it, come and get your wig split  
It ain't no act though, I'm really that ig'nant  
Don't want it with me, better back up man  
Cause, fucking with me, you better have a backup plan  
And a backup plan to backup your backup plan  
Cause when I put it down, you ain't getting back up man  
Now I ain't Jesus, Buddha, Abraham or Allah  
But when it come to underground, better believe I'm a god

Whenever I speak, it's always for the streets it's like the art of war  
(It's like the art of war!)  
If they ain't letting us inside the house, we kicking down the door  
(Kicking down the Door!)  
Moving that product in the streets everybody know we cooking that raw  
(You know we cooking that raw!)  
The uncut never stepped on, you keep coming back for more  
(You coming back for more!)

Yo. Ey yo  
Watch how the drama unfold, the llama unload  
Watch where you walk cause a bomb explode

When it's war, we never underestimate  
Draw first, don't ever think to hesitate  
Move quick, don't let the shit escalate  
But if they want it. Then fucking let the desert shake  
We waking up the project, not from Huston  
But this shit is sound like rockets  
Don't make me have to blast 'matics  
The cash at it getting money, that's today's mathematics  
Sticky Fingaz that's the co-defendant  
Even when I take a mugshot I'm photogenic  
You know they let me kick live shit  
I keep my iron eagle like my name Lou Gossett  
You gangsta. I don't believe that; I'm agnostic  
The guns's ammo they never come out the closet  
Haha... Can't be serious
