

Hard Shit

Onyx

Ayo turning up flame my niggas cooking crack
Where Brooklyn at black mask where crooklyn at
What u looking at got u niggas shook in fact
The big chains looking fat my niggas booking that
We taking it back to gutter where we taking rap
Got these motherfucker shaking in they boots we breaking backs
We breaking packs down the eights surround your place
For a pound of base drown your face you get found in lakes
The rap capitol murder bust a cap and it's murder
Thru the window black cat like burglar
Niggas go upside your head wit the back on the burner
It's redrum for niggas its backward is murder

They said Sticky we want you to take a drug test
I said OK what kind of drugs you want me to test
I said OK what kind of crimes you want me confess
I said OK well where the guns and give me the vest
It's me of course you know I got the icky icky
These niguhs selling becky bet these niguhs got the blicky
These bastards tried to blast me but the shrapnel didn't hit me
I'm always with the ratchet nasty bitch I keep it with me
We thugs ya'll niguhs weirdos
You in the club nigh why would you wear those
I'll rip them diamond studs right out your earlobes
You asked for it nigh so here it goes

You want that hard shit this that hard shit
To make you get black out mask out go rob shit
If you wanna fight this the shit you could spar wit
If you rolling deep this the shit you could mobb wit
You want that hard shit this that hard shit
To make you get black out mask out go rob shit
If you wanna fight this the shit you could spar wit
If you rolling deep this the shit you could mobb wit

Your Jewels getting views like it's YouTube
Hollow tips connecting like my Bluetooth
Took your big man out Bruce Bruce
Didn't use the four pound I used the deuce deuce
Top shotta not the type that ya used to
Kool straight G wit the Rap homie juice crew
Ya gal dem hollered I had to silenced her
It was a cook out, ya look out
Got took out wit the silencer
Pernt pernt
Got em singing like Dave hollister
You were such a nice guy
Why you so violent bruh?
This type of crime I do it everyday
On God stay hard, I guess I'm stuck in my ways

Catch me lurkin in the Costco, drugs in my nostril
Steal a bunch of shit and disappear before the cops show
I be in the bushes in your yard with a crossbow
I could tell you what I'm doing but I better not though
Ain't fuckin with no lean and I'm skipping on the xannies
My shits about as clean as sniffing on some panties

Most my shits gross, just smoke a quick dose
Hit folks with slit throats, then I'm ghost the shits jokes
The bigger they talk and the quicker they fall
Got ya girl licking my balls, we sicker than y'all
Built the foundation, put another brick in the wall
Fuck the beat with no protection ripper hitting it raw

You want that hard shit this that hard shit
To make you get black out mask out go rob shit
If you wanna fight this the shit you could spar wit
If you rolling deep this the shit you could mobb wit
You want that hard shit this that hard shit
To make you get black out mask out go rob shit
If you wanna fight this the shit you could spar wit
If you rolling deep this the shit you could mobb wit

You want that hard shit

You want that hard shit
