

Hold It Down

Onyx

Brooklyn niggas hold it down
Bronx niggas hold it down
Queens niggas hold it down
Uptown niggas hold it down

Half a brick on the block let it float around
Give me couple weeks we gon' blow the town
Lotta snakes in the grass we gonna mow it down
30 shot clip uh gotta enough to go around
Uh now they got they got shit tapped off
Numbers on the 4 5th scrapped off
Gotta good knuckle game beat ur breaks off
Hit em with 4 5th errr then I skate off
Uh my whole fucking life I been breaking rules
Run upon niggas I was breaking fools
Fuck being broke I was making moves
Selling more weed than Jamaican do
Always got the upper hand
Uh get u knocked off for a couple grand
Bounce back like rubber band
I held it down while y'all motherfuckers up and ran

Brooklyn niggas hold it down
Bronx niggas hold it down
Queens niggas hold it down
Uptown niggas hold it down
