

KILLA VIBES

Onyx

Yeah, better feel the vibe, this that killa vibe
You hear the Onyx motherfuckers wanna kill and rob
From south suicide, niggas will eat you alive
You catch a half a body, boy, you're getting two to five

Yeah, better feel the vibe, this that killa vibe
You hear the Onyx motherfuckers wanna kill and rob
From south suicide, niggas will eat you alive
You catch a half a body, boy, you're getting two to five

Or catch a three to nine, homies yellin' freedom
Nigga you food and it's motherfuckin' feedin' time
I'm with the crocodiles, ho shit it's poppin' wow
Cops coming, dead bodies fuckin' droppin' down

You in the jungle now, it's time to rumble now
My razor make the biggest motherfucker humble down
They cut your face up, now who ya faced with
They catch a case and throw your body in the basement

Yeah, better feel the vibe, this that killa vibe
Yeah, better feel the vibe, this that killa vibe
Yeah, better feel the vibe, this that killa vibe (killa vibe...
)

Yo, with Onyx in this bitch, a lot of raps come up missin'
They need to watch they trap and stay the fuck in they position
Who you think gon' say that when my fingers start to itch
And think it's all good 'til I catch the mouth of someone slippin'
The dough we're clippin', flip it, can't you see these niggas a
in't limpin'
You think you come in here trippin', fuck that shit you're gonn
a be limpin'
Comin' here like dickdickdickdi set you on fire, drop and roll
Call me a liar? Cock and load, hitmen for hire, rock and roll

Yeah, better feel the vibe, this that killa vibe
Yeah, better feel the vibe, this that killa vibe
Yeah, better feel the vibe, this that killa vibe
Yo, with onyx in this bitch a lot of rappers come up missin'
