

Everybody here we come we on a murdering spree  
Nuggas better run from the killer mc  
I blast anybody in my way just for feeling  
The black mask come out everybody see the villain  
To get cash every night without a occupation  
Digging in ur ribs like a game of operation  
Corona came the shit is wild see that times is crazy  
Niggas talking crime don't pay but crime pays me  
Whatever they make we take  
They don't want no beef these nigga sweet as cheesesteak  
And I'm here for the dessert in the desert u get merk  
If u see desert on me then u know that I'm at work  
So caution caution get the yellow tape  
Even jam master jay was moving hella weight  
Don't make me out a clip in u stick might be sticking u  
Every night hangin wit them sick individuals

Whatever they make we take  
Whatever they make we take  
Whatever they make we take  
Whatever we see we attack attack

I came in the door said it before  
Never leave the guns outside in the car  
Niguh you think you Pac but you ain't big enough at all  
Hip Hop was dead they had to dig my out the floor  
Yesterday I didn't care don't give a shit today  
And tomorrow I probably still feel the same way  
R.I.P. these niguhz gettin ripped  
It's Sticky fuckin Fingaz I will take your drip  
Hit you where it hurts in your pockets real quick  
One shot to your head niguh won't feel shit  
Get big green like fuckin Bill Bix  
Got people in UPS niguh that steal bricks  
Jump out the dollar van turn you to a hologram  
Getting money everytime niguh gotta skam  
If you ain't got a plan niguh then you gotta blam  
For that dollar man shit is getting outta hand

Whatever they make we take  
Whatever they make we take  
Whatever they make we take  
Whatever we see we attack attack
