

Alcohol

Ookay

Aye, aye

I've been drinking too much alcohol, yeah, yeah
I ain't sober, I just want you to come over
I've been drinking too much alcohol, yeah, yeah
I ain't sober, I just, I just
I've been drinking too much, drinking too much
I just, I've been drinking too much, drinking too much
(I've been drinking too much)

Calling you a black car
Put it on my black card
2 am I'm in the club, and I know you ain't that far
You're not trying to sleep, and I can tell by how you're textin
g me
Tequila and some company, now that's a special recipe
No you don't have to be all alone
All you gotta do is call my phone
I just, I just popped this bottle of some Dom Perignon
But don't you worry cuz I'll soon be home

I've been drinking too much alcohol, yeah, yeah
I ain't sober, I just want you to come over
I've been drinking too much alcohol, yeah, yeah
I ain't sober, I just, I just
I've been drinking too much, drinking too much
I just, I've been drinking too much, drinking too much
(I've been drinking too much)
