

All About Us

Ookay

This time
I can tell you what I'm feeling on the inside
And it seems like
If we move a little closer we'll be alright, alright
'Cause I just wanna go
Wherever you are, just let me know
It's you and me, that's all we need
'Cause it's all about us yeah, it's all about us yeah

'Cause it's all about us yeah, it's all about us yeah
'Cause it's all about us yeah, it's all about us yeah

('Cause it's all about us yeah, it's all about us yeah)

'Cause it's all about us yeah, it's all about us yeah

(It's all about us yeah, it's all about us yeah)
(It's all about us yeah, it's all about us yeah)

This time
I can tell you what I'm feeling on the inside
And it seems like
If we move a little closer we'll be alright, alright
'Cause I just wanna go
Wherever you are, just let me know
It's you and me, that's all we need
'Cause it's all about us yeah, it's all about us yeah

'Cause it's all about us yeah, it's all about us yeah
'Cause it's all about us yeah, it's all about us yeah

('Cause it's all about us yeah, it's all about us yeah)
('Cause it's all about us yeah, it's all about us yeah)

'Cause it's all about us yeah, it's all about us yeah
