

Fight 4 U

Ookay

It doesn't really matter if I let you go
You always find your way right back to me
And I don't really know how to let you know
And because of you, I'm right where I should be

So give me your love, give me your all
Because when I'm with you I can't fall
What am I supposed to do?
I'm gonna fight for you

It doesn't really matter if I let you go
You always find your way right back to me
And I don't really know how to let you know
And because of you, I'm right where I should be

So give me your love, give me your all
Because when I'm with you I can't fall
What am I supposed to do?
I'm gonna fight for you

So give me your love, give me your all
Because when I'm with you I can't fall
What am I supposed to do?
I'm gonna fight for you

What am I supposed to do?
I'm gonna fight for you

I'm gonna fight for you

So give me your love, give me your all
Because when I'm with you I can't fall
What am I supposed to do?
I'm gonna fight for you
