

Give U Up

Ookay

Think I need an intervention
Can't stand to be dependent on your love
Oh no you don't make this easy
I tell ya I'ma leave and then I don't, no I don't

Can't give you up
You had to come and ruin my life, my life
Like a drug
You know exactly how to get me high, me high
Now I can't seem to get enough
I'm paralyzed I'm feeling stuck and I
Can't give you up
You had to come and ruin my life, my life
Can't give you up

Can't give you up
You had to come and ruin my life, my life
Like a drug (a drug)
You know exactly how to get me high, me high
Now I can't seem to get enough
I'm paralyzed I'm feeling stuck and I
Can't give you up
You had to come and ruin my life, my life
Can't give you up

It's a mutual feeling
An addiction I keep feeding on my own
And it's tearing us to pieces
But I can't find a reason to let go
(And I)

Can't give you up
You had to come and ruin my life, my life
Like a drug (like a drug)
You know exactly how to get me high, me high
Can't give you up

Can't give you up
You had to come and ruin my life, my life
Like a drug
You know exactly how to get me high, me high
Now I can't seem to get enough
I'm paralyzed I'm feeling stuck and I
Can't give you up
You had to come and ruin my life, my life
