Help Me Out

Ookay

What is this feeling that I can't explain?
It's feeding upon us inside my brain
I'm tryin' to keep it close but I can't find a way
I'm lying to myself unless you're the one to blame

Can someone help me out, out, out, out, out
Can someone help me out, out, out, out, out
Can someone help me out, out, out, out, out
Can someone help me out, out, out, out, out
Can someone help me

What is this feeling that I can't explain?

Can someone help me-
