

Move Ya Body

Ookay

Move it up
To the left, to the right
Move it up
To the left, to the right
Move it up
To the left, to the right
Move it up
To the left, to the right

To the left, to the right
To the left, to the right
To the left, to the right
To the left, to the right
To the left, to the right
To the left, to the right

Get, get, get
Move your body like that

Move it up
To the left, to the right
Move it up
We gon shake it all night

Move it up
To the left, to the right
Move it up
We gon shake it all night

To the left, to the right
To the

Get, get...
Move ya body like that

Move ya body to the left, to the right
Move ya body we gon shake it all night

Move ya body to the left, to the right
Move ya body we gon shake it all night

Move ya body we gon shake it all night

Move it up
To the left, to the right
Move it up
To the left, to the right
Move it up
To the left, to the right
Move it up
To the left, to the right

To the left, to the right
To the left, to the right
To the left, to the right
To the left, to the right
To the left, to the right
To the left, to the right
To the left, to the right

Get, get, get
Move ya body like that
Move ya body like that

Move it up
To the left, to the right
Move it up
Move ya body we gon shake it all night

Move it up
To the left, to the right
Move it up
Move ya body we gon shake it all night
