Ookay

Always lose my mind when I think about you
Losing track of time when I get you closer
We should lose our mind if we're being honest
I'd go crazy
I'd go crazy

Always lose my mind
Lose my mind
Lose my mind
Lose my mind
Lose my mind
Lose my mind
Lose my mind
Lose my mind
Lose my mind

Always lose my mind when I think about you
Losing track of time when I get you closer
We should lose our mind if we're being honest
I'd go crazy
I'd go crazy

Always lose my mind
Lose my mind
Lose my mind
Lose my mind
Lose my mind

We should lose our mind if we're being honest
I'd go crazy
I'd go crazy

Always lose my mind
Lose my mind
Lose my mind
Lose my mind
