

## Drop the Lie

Oomph!

I will try - you will see  
Don't deny - you and me

All - all of my lies  
All - all of my tries  
All - all of my lies  
All - all of my cries

Let me try to sacrifice  
Let me try to drop the lie  
Let me fuckin'

You have my empathy  
Don't you cry - let me be

All - all of my lies  
All - all of my tries  
All - all of my lies  
All - all of my cries

Let me try to sacrifice  
Let me try to drop the lie  
Let me fuckin'  
Let me drop the lie
