Tough Girl

Open Hand

Well I think it's fine watching summer rain,
Taking a ride on a cosmic train
You've been killing time,
Wasting all your days,
But you can get what you want when you want it with your sexy w
ays.

Don't keep me waiting too long,
We're gonna to make it tonight,
You'll never bring me down,
And I'm feeling ok,
You'll never bring me down.

Well it's ok, and you're ok,
Cause I'm with you,
Well it's ok, and we're ok,
Cause I'm with you,
I'm feeling good when I'm rolling down the boulevard,
I'm feeling good when I got you there in my arms,
I'll never know what it takes for you to feel this free,
You never know all the feelings that you're giving to me.

We're gonna to make it tonight,
You'll never bring me down,
And I'm feeling ok,
You'll never bring me down,
Sometimes I want to go and run away,
But something about your love just makes me stay.

Oh well you're so sweet when you're talking to me,
Oh well you're so sweet when you're talking to me,
You don't know I know by now,
You don't know I know by now... by now.

We're going to make it tonight,
You'll never bring me down,
And I'm feeling ok,
You'll never bring me down,
(By now... by now...)
