

Airplane Boneyard

Open Mike Eagle

Oh no
All of this blood but I don't know
All of this time
I don't know what
I don't know what

We just wanted to try
We just wanted to try
Used to know where we stood
We used to be good
But I don't know why (woo)
We just wanted to live
We just wanted to live like you
Didn't none of us knew the little ones grew as fast as they did

Quit a whole job and busted my ass
End of that road it wasn't no cash
Left my scene and walked my own road
But then I woke up a million years old
Banged my head tryna be fly for most of my life and I don't know why
Learned so much in findin my style and none of that shit applies to right no
w
38 miles, 38 pounds, 38 tapes, never rewound
All I have left is where he is now
And none of us here know how it went down
And all of my sweat, all of my work
Nothing at death except for rebirth
All I got left is hunger and thirst
Really can't say what none of it's worth, like ugh

We just wanted to try
We just wanted to try
Used to know where we stood
We used to be good
But I don't know why
We just wanted to live
We just wanted to live like you
Didn't none of us knew the little ones grew as fast as they did

Lemme assemble my ship (Woo)
One more piece and that's it (Woo)
Roll that window up quick and hear me get loud and toss all my shit (Fuck)
That's me bussin my head (Fuck!)

That's me bussin my ass (Damn)
Used to know where we stood
We used to be good
I wasn't gon ask (Wait)
We all wanted the same thing
Feel the way that that chain swing
Want to pilot them downplanes
We all chasin them same wings
We gon go cos I said so
Underground cos my bread low
Dirty uniform worn thin
We gon see where that thread go

I was ok wherever we went, now I ain't got no more armor

I was ok wherever we went, now I ain't got no more armor
I was ok wherever we went, now I ain't got no more armor
I was ok wherever we went, now I ain't got no more armor
I was ok wherever we went, now I ain't got no more armor
I was ok wherever we went, now I ain't got no more armor
I was ok wherever we went, now I ain't got no more armor
I was ok wherever we went
