

Fifteen Twenty Feet Ocean Nah

Open Mike Eagle

So yesterday, me and my family attempted to go snorkeling
And uh, I wrote a song about this today
And um, I have a special guest who's gonna bless the mic for us
He doesn't usually do this, but he decided he was gonna bless the mic cos he
was a part of this excursion yesterday
The infamous A\$e, the infamous A\$e, he's gonna join me on stage
And he's joined by T, T is gonna back him up
This is your microphone here, you wanna take it off?
Ok let me take it off
So this is our song about when we attempted to go snorkeling yesterday

[illegible]

This ocean is the emotion that you can go with
It's crazy like sharks in the park, that's crazy like Jon Stark
It's crazy, I don't know why, but Asa I feel like you're gonna die
It's crazy why, cause it feels like you're going to lie
In this, lie in the ocean, why, drowning
There's a dark, big hound dog that's waiting for you
Just like a warthog in the sea that doesn't know me
It's crazy cause it's like Manu Ginóbili

[illegible]

Yeah, thought I would be floating like a surfer
They had to save my life, with the life preserver
Yeah, cause I'm really not an awesome swimmer
Yeah, pull Asa in and I lost his flipper
Yeah, I'm in the ocean what the hell is this
People getting stung by tiny little jellyfish
Yeah, I'm being brave, I don't have to be
I don't care if the whole ship laugh at me
Yeah, maybe I'm not a snorkel sorta guy
I didn't see no fish I saw my life before my eyes

[illegible]

Fifteen twenty feet ocean nah

It's crazy to be in the ocean

And lazy to drown

Crazy like this there's a dark hound waiting for you

It's not what we want, it's like that

It's crazy like drowning like a little cat

The infamous A\$e

The infamous T
