But don't try to brand us or put us in handcuffs
For fans of, jokes and gutta music too
It feels new but it's not confusing

A word or a scene they was not aware of
We heard you believe what the media told ya
Them old ideas get blown up

Man, you say you seen it all, then you sound absurd
Imma tell you one that you fo' sho ain't heard
Imma tell you one that you fo' sho ain't heard
Yeah, new school, just watch and learn
Say you seen it all, then you sound absurd
Lemme tell you one that you fo' sho ain't heard
Imma say a new one, fo' sho
