

## Bombshell

Operation Ivy

She (she) (she) She's a bombshell  
She (she) (she) She's a bombshell  
oh yeah  
Down in south oakland  
Off east 14th its raining  
Six a.m. on sunday and the bums are praying  
Met her at a party we were drunk now were sober  
She said its cold got a long walk home come over  
Shes a bombshell  
I've retraced my steps a thousand times  
Seems I've spent hours asking all my freinds about her  
Been six months but ill never be the same  
Nobody remembers her name  
Shes a bombshell
