

# Born Again Virgin

OPM

Me and my angel  
You know we all right  
But my friends say she ain't right  
Just 'cuz she likes to have a little fun  
Don't mean she can't be the one  
Just 'cuz she likes to shake her little butt  
Doesn't mean she's a little slut  
They all laugh at my expense  
'Cuz they say she got lots of experience

I'm so naive, I want to believe  
She's going to loose her virginity to me

She's born again virgin  
It feels like a sin  
She's born again virgin  
She wants to do it again

She doesn't wear any underwear  
She shaves down there just to show me she cares  
A little heart shape of hair  
She uses the nair to get it all bare  
It's the little things she does for me  
That really makes me want to believe  
I don't care what they say  
About what they say she did yesterday

I'm so naive, I don't want to believe  
She knows my friends better than me

She's born again virgin  
It feels like a sin  
She's born again virgin  
She wants to do it again

Born again virgin  
I hope it never ends  
Born again virgin  
So we did it again and again

She tells me I'm the only one  
I'm young I'm dumb I'm a loaded gun  
Oh no, I'm about to explode  
Her legs lay open like the road  
No control so, here we go  
Just like a couple old pros  
First times scary little virgin Mary  
Pop, pop, pop goes the cherry  
And I wonder, did she tell the truth?  
No really now how do my friends know about that tattoo?  
Who cares look at squirming  
Jump back kiss my self shoot my sperm in  
She's my, my, my she's my little virgin

She's born again virgin  
It feels like a sin  
She's born again virgin

She wants to do it again
