

Release The Joy

Opus III

Release the joy
Release the joy
Release the joy
Release the joy
Release the joy
Release the child inside your mind
Release the joy
And count the stairs we climb
Release the joy
Release the child inside your mind
Release the joy
And count the stairs we climb
Release the joy
Release the joy
Release the child inside your mind
Release the joy
And count the stairs we climb
Release the joy
Release the joy
Release the joy
Release the joy
Release the joy
