

How Can I Exist

Opus

It was a cloudy day
when you told me that it's over now
You bang the door and I did 'nt know how
I would stand this cloudy day
For hours I was waiting for your call
-Anticipating that was all
Now I'm walking on an orphand road
I never knew how much it hurts to let you go

Baby how can I exist
without your loving
How can I exist
Without your sweet, sweet love

When things get so absurd
Like footprints in the sands of time
Are washed away by the waves
And I wonder why our love is gone away
Forever you'll stay in my heart
I swear there'll be another sart
Still I'm walking on that orphand road
I hope this song can make you see
That I need you so

Baby how can I exist
Without your loving
How can I exist
Without your sweet, sweet love

Now I'm walkin' on an orphand road
I never knew how much it hurts

Baby how can I exist....
