

Always

Oracle Sisters

Do Re Mi Fa Sol
La Si Do
Crescendo, fade out
Take me to the bridge
Slow no, so softly
Well the bells chime and time takes a seat

Always
Always
Always

Always
Always
Always

Sliding in from space
All glory, right of place
New rhythm rolls out
The high frills and the low
Back and forth they'll grow
Well the mood now can meander free

Always
Always
Always

Always
Always
Always

Do Re Mi Fa Sol
La Si Do
Crescendo, fade out
