

High Moon

Oracle Sisters

Went out to sea where the waves are high
Didn't know there was a storm risin'
Dove right in like folks do when they love

"Hold on to me," said the wave so high
We fell down and we got up again
"Close to me," said the voice again

High moon, high moon here again
Holding onto the high moon, in trouble again
Trouble, trouble

Went out to sea where the waves are high
Didn't know there was a storm risin'
Dove right in like folks do when they love

High moon, high moon here again
Don't go telling the high moon, in trouble again
Trouble, trouble

Trouble (Trouble, trouble, trouble)
Da-ba-da-ba-da-ba-da-ba-da-ba-da-ba-doo
Da-ba-da-ba-da-ba-da-ba-da
Da-da-doo
Trouble (Trouble, trouble, trouble)
Ayy-ayy-ayy-ayy

High moon, high moon here again
Don't go telling the high moon, in trouble again
High moon, high moon here again
Don't go telling the high moon, in trouble again
Trouble, trouble
