

I'm You

Oracle Sisters

There goes my baby
She's all dressed in blue
Got holes in my pockets
I wore this for you

Here comes some lady
She's all dressed in white
Silk, satin or cotton I'll let you decide

I'm you, you
I'm you black and blue I'll delight in your hues
Oh I'm you

There goes my baby she's all dressed in white
My pockets are empty but oh what a site
Here comes some lady she's all dressed in grey
Bold, bashful or beaten
It's so hard to say

Oh I'm you, you
Oh I'm you black and blue I'll delight in yours
Oh I'm you

Oh I'm you, you
Oh I'm you black and blue I'll delight in yours
Oh I'm you

Here we are baby
We're all dressed in grey
Shall I go or you go?
I guess we'll both stay
